Weight Loss Program

*Intro 4 weeks only valid for patients new to weight loss program.

**Enrollment in weight loss program requires a 12-or 24-week commitment.

Payments are billed monthly. Early cancellation is not permitted; if discontinued, the patient will be responsible for the difference between discounted program pricing and standard rates for all services already received.

Wellness Program

True wellness goes far beyond a single medication. At Skinfinite, we focus on complete metabolic balance and lifestyle support to create meaningful, lasting change. For patients who may benefit from testosterone, we incorporate it thoughtfully alongside individualized treatment options such as GLP-1 support, peptides, and metabolic care — all guided by continuous monitoring, education, and personalized coaching. The result: a program designed not just to help you lose weight, but to help you live well.
